### Purchase Options

You have 3 basic options for purchasing courses. Each option is based on number of users.

#### 1. Purchase categories of courses, or individual courses.

Example:

Purchase the category Aircraft Parts which includes 2 courses or purchase individual courses.

[Proceed to purchase option 1.](#)

#### 2. Purchase 1 or more predefined bundles of courses.

An example of a bundled set of courses is listed below.

Employee Orientation Bundle  
Alcohol in the workplace  
Drug Abuse In The Workplace  
Facility Security

[Proceed to purchase option 2](#)

#### 3. Purchase all courses within our library.

This option allows you to purchase access to all courses within our library.

[Proceed to purchase option 3](#)

## Create a customer account

Thank you, sadf sadf. We need a few more things to activate your account. First you will need to create a **user ID** and **password** to give employees. This will allow **employees** to access the training module.

User ID

(Not case sensitive)

Password

(Not case sensitive)

Next, you will need an access **password** for your **administration**. This will allow you to see results and reports. Your **email address** will be the user ID for this section.

**Admin** Password

(Not case sensitive)
